

VTCT Level 3 Diploma Reflexology

A THEORETICAL AND PRACTICAL INTENSIVE COURSE THAT EDUCATES AND INCREASES JOB OPPORTUNITIES

The VTCT Level 3 Diploma in Reflexology provides you with knowledge of the principles of reflexology, and how reflexologists practice. You will learn the benefits and techniques of reflexology and be able to provide treatments safely and effectively to clients in different circumstances.

Aspects of business studies are also included. This is a practitioner level qualification.

Study elements for students will include:

- Health
- Safety
- Hygiene

- Security with regard to the complementary therapy industry.
- Principles and practice of the complementary therapy industry. Knowledge and understanding of anatomy, physiology, how to deliver an effective reflexology treatment and adapt to client requirements.
- Contra-indications and contra-actions, advice to be given to the client, record-keeping, evaluation of treatment and reflection on professional practice.

This qualification can lead onto more advanced courses on reflexology techniques, other complementary therapies, and foundation or full degrees in complementary therapies.

360 learning hours.
